

Minutes of March 14, 2011

Meeting called to order at 7:02 p.m. Members present Darren Netto, Rich Labbe, Bob Norris, Todd Annis, Mike Tedone and Dave Farr, Recreation Director.

Director Farr and Commission opened meeting with a brief presentation and plaque to recipient Sue Barsanti, accompanied by her family, for her dedication throughout nineteen years of aerobics instruction for the Parks and Recreation Department.

Minutes of February read. Mike Tedone made motion to change last paragraph to a rate of \$110.00 per player. Motion seconded by Bob Norris. Motion approved. Minutes approved as amended. All in favor.

Mr. Farr went on to review with Commission the budget change proposals to the Park Commission including budget decrease in hockey fees and proposed increases to winter pool, soccer, rental equipment, advertising and general supply accounts. Mr. Norris made motion to reduce hockey fees account and to spread that money to among the five accounts listed. Motion seconded by Rich Labbe. Motion approved. All in favor.

Commission reviewed handout from Steve Mills Use of School Facilities-Fee Schedule. Discussion held regarding the effects of the fees on various Parks and Rec. activities. Mr. Farr stated a meeting will be set up with Steve Mills, Steve Wawruck and Commissioners for further discussion and explanation behind said fees.

Mr. Farr reported scoreboard matter moving along. Meter to be installed within next two weeks. Musco to be taking care of lighting issue, will be sending out engineer to observe baseball field lighting. Seven of nine summer concerts have been booked. Entertainment has been booked for the April school vacation, received positive feedback from the February vacation groups. Working on day camp field trips. Discussed parking lot project with Scott Lappen, cannot be held

during the Shriner's weekend. Steve Mills will need to block off area for one month. Commission agreed August should work best.

Mr. Norris reported Bel-Aire Park benches in need of painting. Rich Labbe reported on skate park door damaged and kids climbing fence to enter park. Mr. Farr to have public works install additional chain to left side gate door. Mr. Netto reported Reed Park softball diamond third base dugout in need of roofing repair, baseball field third base benches in very bad shape as well.

Rich Labbe made motion to adjourn at 7:43 p.m. Motion second by Bob Norris. Motion approved.
