## Valuation & Appeal Process

Vehicles registered at the Connecticut DMV to the Town of Windsor Locks, as of October 1st, produce a tax the following July. Vehicles registered after October 1<sup>st</sup> produce a tax the following January, based on the number of months the vehicle is registered between October and September.

Registered vehicles are assessed at 70% of NADA clean retail value, Connecticut General Statute 12-71b, as of October 1st.

Unregistered vehicles are taxed as personal property and the owners declare the vehicles by November 1st annually. Failure to declare will add 25% penalty to the tax.

If you do not receive a tax for your vehicle, it is your responsibility to contact the Assessor or Department of Motor Vehicles.

Vehicle registrations are active for two years. If you dispose a vehicle and cancel the registration, a credit may be applied to the tax. For more information, visit the Assessor's Office or go to:

<http://www.windsorlocksct.org/assessors-office/assessors-office>

## Transferred Registration

When the Registration/Plates are transferred to a replacement vehicle, the adjustment follows the Registration. Over payment on the July tax is applied to the replacement vehicle tax in January.

*(If the July tax bill is in two payments, pay both the July and January payment.)*
