

INLAND WETLANDS AND WATERCOURSES COMMISSION
January 13, 2020 Special Meeting Minutes

These minutes are not official until approved at a subsequent meeting.

Commission Members Present: Bob Crochetiere, Mary Jane Perrier, Jay Farrelly, Darry Ruiter, and Jonathan Savino

Commission Members Absent: Lacinda VanGieson, Richard Pease, James Guthrie, Roy Zettlemoyer, and Patrick Roy (Alternate)

Town Staff Present: Jennifer Rodriguez (Zoning and Wetlands Officer), and Dana Steele (Town Engineer)

I. Call to Order

Chairman Crochetiere called the special meeting to order at 9:37 am.

II. Roll Call

Commission roll call was taken.

III. Site Walkthrough of Construction Project at 177 Old County Road

Staff and Commission members walked beginning on the southeast corner of the property, following wetland and road centerline flags, observing the pond and wetlands. They continued along the entire site up to the Strawberry Meadow Brook watercourse to observe banks and streambed, then continued down the south property line along Fox Hollow Condos. Wetlands Agent Rodriguez photographed the site as did Commission Member Perrier. Such photos will be supplied and added to the record at the upcoming meeting. Staff will outline observations made and incorporate into the report prior to the January 22, 2020 meeting. No action or discussion took place other than to identify locations on the map while walking the site.

IV. Adjournment

The January 13, 2020 special meeting was adjourned at 10:30 am.

Respectfully submitted,

Debbie Seymour
Recording Secretary
