Commission Members Absent: Lacinda VanGieson, Richard Pease, James Guthrie, Jay Farrelly, Roy Zettlemyer, and Patrick Roy (Alternate)

Town Staff Present: Jennifer Rodriguez (Zoning and Wetlands Officer), and Dana Steele (Town Engineer)

I. Call to Order

Chairman Crochetiere called the special meeting to order at 11:11 am.

II. Roll Call

Commission roll call was taken.

III. Site walkthrough of construction project for a proposed sports village at the Thrall property on Old County Road/Route 20

Commission members, staff, and the applicant's engineer, Jessica Bates, walked the northern boundary of the subject property which abuts Waterworks Brook. They observed the wetland and upland review areas on the Waterworks Brook Preserve property along the property line, including wetland fingers, farm pond, and wetlands north/northeast of the pond. The applicant and staff pointed out areas of impact and enhancement. No action took place.

Commission member Perrier left approximately 11:45 am.

IV. Adjournment

It was **MOVED** (Ruitter) and **SECONDED** (Savino) and **PASSED** (Unanimous, 3-0) that the Inland Wetlands and Watercourses Commission adjourns the January 29, 2020 special meeting at 12:00 pm.

Respectfully submitted,

Debbie Seymour
