**VEHICLE USE POLICY**

**Adopted October 6, 2020**

**Windsor Locks Board of Selectmen**

**MUNICIPAL VEHICLE USE POLICY  
TOWN OF WINDSOR LOCKS**

**I. Purpose**

The purpose of this policy is to set forth the guidelines under which town vehicles will be authorized to Town personnel and the guidelines under which Town vehicles may be used. This policy is used to supplement additional policies which may exist or which may be promulgated within each department.

**II. Applicability**

The provisions of this policy apply to all general government employees. Employees whose employment is regulated by a collective bargaining agreement or other employment contract are subject only to those provisions of this policy not specifically regulated by agreement.

**III. Categories of Municipal Vehicle Use**

Work Use Only: Vehicle is used at work only and remains at issuing departments location at the end of the employee's work shift (applies to personnel whose duties require the use of a town vehicle during their shift).

Work and Commuting Use: Vehicle is used at work and for commuting back and forth to the employees primary residence (applies to certain personnel whose duties require them to be on-call to regularly respond to work during nights and weekends).

24-Hour Use: Vehicle may be used at all times of the day for professional and personal use due to the 24/7 nature of the employee's duties (applies to certain public safety personnel or other employee's by contract).

**IV. Vehicle Assignment and Authorization**

General Assignment - The general assignment of municipal vehicles may require employee access to municipal vehicles, either during the work shift or on a 24-hour on-call basis. *Town vehicles are not personal vehicles and are not for personal use.* Town vehicles should be viewed as belonging to the citizens of the Town and are assigned solely for the purposes consistent with providing services to those citizens.

The assignment of municipal vehicles during work time is based upon job description. Appointing authorities who have municipal vehicles available for this purpose may assign such vehicles in a manner consistent with departmental workload and employee function. The assignment of vehicles may be rescinded at any time by the First Selectman or appointing authority/department manager.

24-Hour Use - The assignment of vehicles for 24-hour use will be made in writing by the First Selectman, and will only be considered for employees who require a vehicle for the

ordinary and necessary discharge of their job functions. Criteria which will be used in the determination of eligibility for 24-hour vehicle use may include:

- Requirement for frequent emergency availability or officially designated on-call;
- Issuance of a pager or other communication device;
- Emergency or other equipment contained in the vehicle; and/or
- No town facility is available for garaging in a safe and convenient location.

Vehicle use is limited to travel to and from the residence and place of work. The vehicle shall be driven over the most direct route taking into account road and traffic conditions. The vehicle shall not be utilized for travel outside a direct commuting route for personal reasons.

If an employee is transporting non-Town personnel in a municipal vehicle and is called to an emergency, then the employee will take all reasonable actions necessary to ensure the safety of passenger for the duration of the emergency.

Employee's assigned municipal vehicle on a 24-hour basis will be given a copy of this policy and will be required to sign a confirmation of receipt.

Change of Authorization - The First Selectman or other appointing authority may rescind and/or change an existing vehicle assignment, including 24 hour use and work shift, and use authorization whenever an applicable position becomes vacant; the authorized vehicle is misused; an employee is on leave (paid or unpaid) or reassignment or when the position's duties are changed to a significant degree to warrant such reassignment or at discretion of First Selectman or department manager. The First Selectman may also seek to change or modify the existing authorized use of a municipal vehicle for any incumbent union employee during collective bargaining. For example, if a position's on-call response requirement is infrequent, the First Selectman may elect to authorize the employee to have work-only use of a municipal vehicle.

**V. Report of Accidents**

Whenever a municipal vehicle is involved in an accident, or subject to damage, or in the event an employee's personal vehicle is damaged during an approved, work-related trip, the employee operating the vehicle is required to immediately notify his/her immediate supervisor. The supervisor shall contact the First Selectman's office and complete the appropriate insurance forms.

**MUNICIPAL VEHICLE USE POLICY

The First Selectman may grant special exception to this rule if sufficient written justification is presented by the department head.

All municipal vehicles shall be purchased in accordance with applicable public procurement laws to ensure competitiveness and best price.

**VIII. Fringe Benefit Tax Reporting**

Such fringe benefits include the employee's use of an employer-provided vehicle for commuting purposes at the per day commuting rate as established by the IRS. The Town shall use this method for tax reporting purposes.
