New Business: Public Hearing for Minor Structures /Tree Removal Regulation Amendments: Mr. Malo read into the record a notice that a public hearing would be held March 1, 2017 at 7:00PM.

Mr. Malo then explained the reason for the amendment change because the Tree Applications are being held up too long. In the first month the Commission would have to receive the application, then next month schedule a public hearing or review. which could cause a dangerous situation caused by a falling tree in a Wetlands Area. Ms. Perrier made a motion to close the public hearing, seconded by Mr. Guthrie. Motion Carried.

Mr. Crochetiere called for a motion to either accept or deny the amendment as stated by the Wetlands Agent to determine if a permit is needed for an in house staff to make that decision. Mr. Pease made a motion to accept the amendment to the regulations. MS. Perrier seconded the motion. Motion carried.
