

Covid-19 Specific Policies and Procedures

- AM Drop-off at North: Parents will remain outside the drop off door. Park and Rec. staff will scan temperature of student upon arrival with a non-contact thermometer and ask parent if anyone in the household has been experiencing a fever, shortness of breath or chills. Park and Rec. staff will sign the child in. If a participant has a temperature greater than 100 degrees or any signs of sickness they will not be admitted to the program.
- PM Pick Up at both North and South:
 - For pick up when the program is indoors, parents or listed adults will remain outside the pick up door. Park and Rec. staff will inspect ID through the door and the children will be brought to the exterior door for dismissal. Park and Rec. staff will note the time and who the children are dismissed to.
 - For pick up when the program is outdoors, parents or listed adults will stop at the gate to the blacktop of the playground. Park and Rec. staff will inspect ID and the children will be brought to the gate for dismissal. Park and Rec. staff will note the time and who the children are dismissed to.
 - There will be no shared school supplies. Each child will have a program provided pencil box with a box of crayons, pencils and erasers. Additional supplies can be added to the box at your discretion. Families will be responsible for providing coloring books and independent reading books in their child's backpack for use during the program. You may wish to leave an extra face mask in your child's pencil box.
