Mr. Wawruck thanked Mr. Lappen for overseeing the WPCA (with all the improvements and staffing needs) along with all the work he has done for the Town. Mr. Wawruck stated that the WPCA is a class one facility in the State of Connecticut. Mr. Laurito spoke for the Authority when he stated that they appreciate the quality of effort that Scott has put in during his time with the Town and the Commission. Mr. Lappen thanked the Authority and stated that it is easy to shine when working with the great staff at the WPCA.

Respectfully submitted,
